Believe in the Hail Mary.

From Andy Weir the best -selling author of The Martian, and based on his New York Times best-seller, Project Hail Mary, comes this highly anticipated Sci-Fi Adventure film about a science teacher who wakes up alone on a spaceship light-years from Earth with no recollection of who he is or how he got there. As his memory slowly returns, he soon discovers that he must solve the riddle behind a mysterious substance that's causing the sun to die out.
